

Civil War

The Civil War captures the American historical imagination for a variety of reasons. The first shots of the Civil War were fired in April 1861, triggering the bloodiest conflict in American history. The video is designed to engage you in the images that were captured to show the American public, both past and present, the magnitude of destruction.

Observation: What do you see? Pay particular attention to the detail included and excluded from the images.	Questions: Create questions that your observation makes you wonder about, want to learn more about, or would like clarification about.
